FIRE RESTRICTIONS TO TAKE EFFECT

(Salt Lake City) – Due to increasing wildland fire danger fire officials have announced fire restrictions to take effect at 12:01 a.m., Monday, June 25, 2007. The restrictions apply to all federal, state, and private lands in Washington County, and lands west of Interstate 15. Fire restrictions remain in effect until rescinded.

The following acts are prohibited on the above-mentioned lands:

1. Setting, building, maintaining, attending, or using open fire of any kind, except campfires within approved fire pits and grills provided for, in improved campgrounds, picnic areas, and permanently improved places of habitation, or except as otherwise authorized. Devices fueled by petroleum or liquid propane gas (LPG) products are allowed in all locations.
2. Smoking, except within an enclosed vehicle, camp trailer, or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared to mineral soil.
3. Discharging, or using any kind of fireworks, tracer ammunition, or other incendiary devices in any location on federal, state, and unincorporated private lands. (Note that these acts are always prohibited on Federal Lands.)
4. Cutting, welding or grinding metal in areas of dry vegetation.

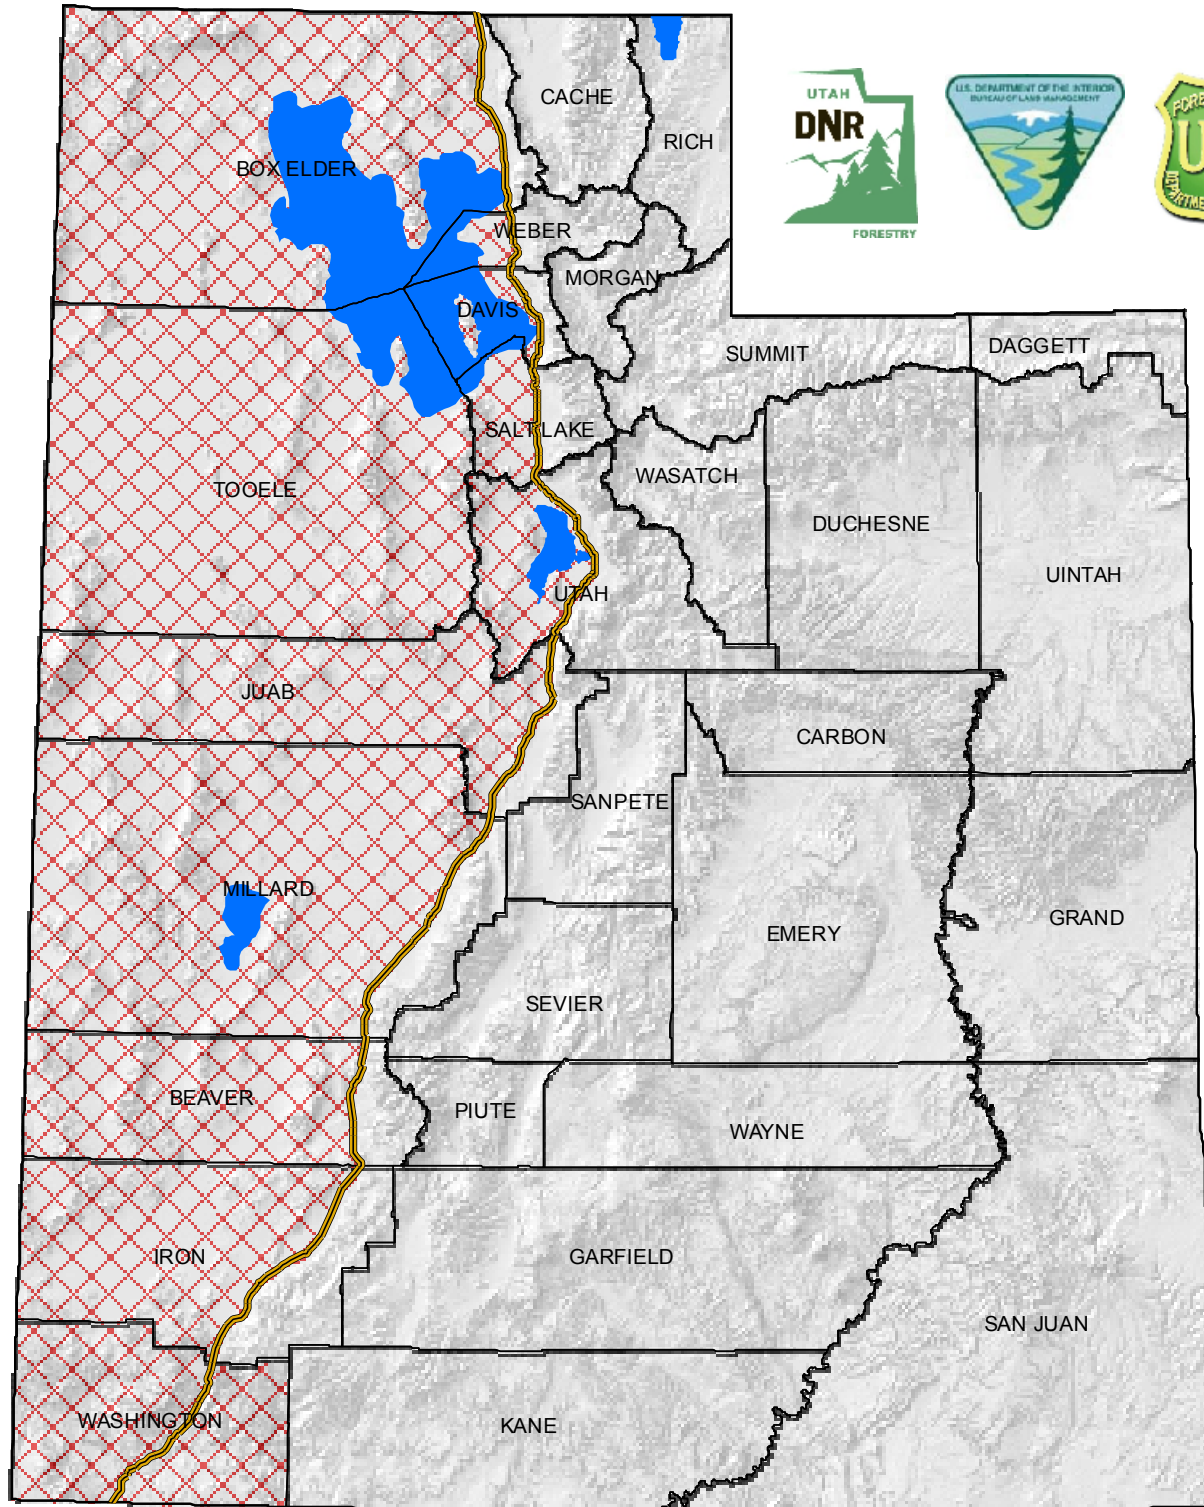

All other fire restrictions, or necessary exemptions to the restrictions, will be handled through local “permits” issued by the responsible agency for that purpose. This order does not affect incorporated towns and cities.

For more information on fire restrictions go to utahfireinfo.gov.
